### List of issued receipts

Receipt Number	Customer Name	Received Amount	Issue Date	Status
----------------	---------------	-----------------	------------	--------

\*Since receipts issued by this system are not compatible with the qualified invoice-based method, if you need a receipt with your invoice registration number, please download the invoice and save them together.

\*In case you made a mistake in issuing a receipt, or unable to cancel/change the reservation, you can reissue the new one, or make a change/cancellation by voiding the issued receipt. (Please be sure to dispose of any voided receipt.)

\*When you select a receipt number, "Reprint" and "Void" pop-up screen will appear. If you have trouble printing an issued receipt, you can apply for reprinting.

For payment by bank transfer, the receipt can be issued only if the money has been transferred to the dedicated bank account shown on the invoice in the "Payment" page.
